Year 6: Aim High Homework Project

Dear Parents,

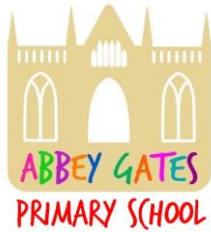

Linked to the Year 6s Big Question of 'Who suffers the most during war/conflict?' we would like all children to complete their 'Aim High Project' homework.

The 'Aim High' project is all about home and school working in partnership to engage children in their learning and to share in the enjoyment of learning.

Today, as a class we discussed possible activities the children could complete linked to our Big Question. (Please see the list on the next page). Please note that the activities below are suggestions and that if you or your child has an alternative activity, please feel free to carry this out instead, if it links to the Year 6 Big Question.

We look forward to seeing the completed projects and displaying them with a sense of pride. Can all projects be completed and in school on **Monday 24th April**. Not before this date though, thank you. (If it is an electronic presentation this will need emailing to the school office by the Monday.)

Thank you
Year 6 Team
Mr Rich and Mrs Miles
