

Year 5

Aim High Homework

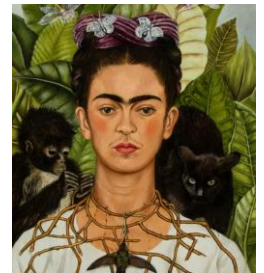

Please find a menu of activities which will support your child's learning at home over the Easter holidays. These activities will help support answer our big question: **How does the environment impact Art?**

Children can choose from the menu below or come up with something equally as creative. We look forward to seeing their ideas! Please can the completed project(s) be brought into school by Friday 21st April.

Art:

Choose an Artist to research. Find out lots of facts about them and which style of artwork they like to create. You could then:

- Create a piece of artwork in their style
- Create a fact file about your chosen Artist
- Draw/paint a copy of ne of their most famous pieces.

Music:

Choose a musician, singer or band to research. Find out lots of facts about them and listen to some of their music. You could then:

- Rehearse one of their songs to perform in class (this could be singing or an instrument)
- Create a fact file about your chosen musician
- Write a new song in the style of their music
