When you get  
to school...

...this is the  
door that  
you will go  
through to  
get to your  
new  
classroom!

This will be your  
new classroom

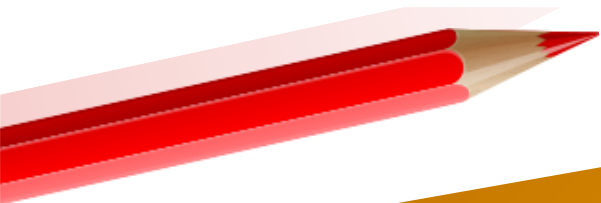

This will be your  
new cloakroom!

You will be able  
to hang your  
coat and bag on  
a peg with your  
name on!

This will be where you go  
outside to play at play time  
and lunch time.

In the autumn term in Maths, you will be learning about:

- \*Number and Place Value
- \*Addition and Subtraction

In English we will enjoy reading some new class texts, taking part in some fun writing projects and building on our phonics and spelling (the rest is a surprise!)

Our autumn term project will be our Discover Project!

In Year 2, you will be learning lots of new and exciting things!

We can't wait to see  
you in Year 2!
