

Summer 1

“Pick and Mix” Homework

Year 1

This “Pick and Mix” homework is for the whole half term.

- Complete the activities that are in a coloured grey box at least once a week.
- Make sure your name is on every piece of work when you bring it into school.
- Please return completed homework on Friday 19th May, so that we can show the work in class the following week.

Reading	Maths	DT	Sticky Question
Read at least 3 times a week at home. Each time ask an adult to sign your reading diary.	Practise counting to 100 forwards and backwards. Now count in twos, fives and tens. Can you do it backwards? Why not record a video to share with the class?	Use scraps of ribbon to weave a piece of fabric. You could glue, plait or weave the ribbons together, or you might find a new way to create your fabric.	Discuss your weekly sticky question.
Art	Science	History	RSHE
Make a cardboard sculpture of a spider. Consider different ways to join the pieces together.	Pick two different materials (e.g. rock and wood). Describe the features of each. What is similar about them, and what is different?	Make a fact file about Ravenshead in the past. Do you have any old photographs? You could take photographs of Ravenshead now.	Write a fact file of ‘you’. Include all of the things that make you happy. It might include your family and friends, your favourite toys and games or pets.
Spelling	Writing	PE	Geography
Practise spelling our tricky words and the extra spellings (on the back of this sheet).	Write ten amazing sentences about your lunch one day. Make sure you are using ambitious vocabulary. Check that you used capital letters and full stops.	Get a grown up to throw a ball to you, and hit the ball back using a hand, a bat and a racquet. Which did you prefer?	Write a fact file about Africa - you could practise West African drumming from the workshop too.
