

Spring 1

“Pick and Mix” Homework

Year 1

This “Pick and Mix” homework is for the whole half term.

- Please try to complete the activities that are in a coloured grey box at least once a week.
- Make sure your name is on every piece of work when you bring it in at the end of half term.

Reading	Maths	DT	Sticky Question
Read at least 3 times a week at home. Each time ask an adult to sign your reading diary.	Practise counting to 20 forwards and backwards. Learn a song that counts to 20. Ask an adult to question you - what is one more than...? What is one less than...? Which numbers have the word 'teen' and which don't?	Use different fabric to create a hand puppet. You might start with an old sock. Give your puppet a name.	Discuss your weekly sticky question.
Art	Science	History	RSHE
Make a picture using different ways of making a mark (e.g. use pencil, pastel, crosshatch, blend). Tell me all of the ways that you have used.	Make a list of items that you can find in your house that are made of plastic. Consider whether they could have been made from a different material?	Did your parents or grandparents play with different toys to you? Find out what were their favourite toys. What did the toys do? Would you like those toys? As a challenge - also find out what materials they were made from.	Make a surprise card to tell someone how special they are to you.
Spelling	Writing	PE	Geography
Practise spelling our tricky words. (See below). Write sentences using some of the tricky words (don't forget capital letters, full stops and spell the tricky word correctly).	Write a story about an adventure that your favourite toy might have. Maybe your toy gets up to mischief and you have to sort it out.	Practise catching a ball with an adult. Every time you catch the ball, take one step back. How many steps can you take without dropping the ball?	Make a compass and put it on the wall, then direct an adult to hidden treasure using the instructions - turn north, south, east or west and forward and stop.

Year 1 Tricky Words
