

Autumn 1

"Pick and Mix" Homework

Year 1

This "Pick and Mix" homework is for the whole half term.

- Please try to complete the activities that are in a coloured grey box at least once a week
- Staff will ask the children to bring the homework in at the end of the Half Term

Reading	Maths	DT	Sticky Question
You must read at least 3 times a week at home. Each time ask an adult to sign your reading diary.	Draw 10 sweets on a piece of paper. Draw a line that splits the sweets into two groups. How many sweets have you put in each group? Could you have split the sweets into equal groups?	Can you make a card for Anita from our book - Anita and the dragons. Your card needs to have a moving part. It could be a flap, or a door that opens, or a slider.	Discuss your weekly sticky question.
Art	Science	History	PSHE
Pick an object to make an observation drawing. It could be anything; a toy, a leaf or flower. Make sure you look for all the details to put into your drawing.	Draw around your foot onto a piece of paper. Use a ruler to measure how many centimetres long your foot is? Draw around the foot of someone in your family on the same paper (use a different colour pencil). Is their foot bigger or smaller?	Find out from your parents, grandparents, aunties or uncles if they ate different food when they were younger. Did they have takeaway? Did they grow any vegetables? Do you grow any vegetables?	Think about the important people in your life. Do something kind or helpful for each one of them. Can you tell us about what you did?
Spelling	Writing	PE	Geography

Practise spelling our tricky words.
(See below). Try to do one list each week.

Imagine that you are in an aeroplane looking down on a tropical island. Write about what it might be like to live on that island. What animals would be on your island? Where would you live? What fruit would grow there?

Practice balancing on one leg for as long as possible. Try to beat your time. Is it easier on one leg than the other? Is it better with your arms out, or down by your side?

Look at a compass, then draw your own compass. What are the 4 main points? Can you find a way to help you to remember the points?
