June 2024

Dear Parents and Carers,

RSHE Policy and Parental Consultation

Please find attached an updated version of our RSHE policy and a summary for parents and carers.

Abbey Gates Primary School has an embedded curriculum for teaching RSHE (Relationships, Sex, and Health Education). As part of this curriculum schools are required to comply with Department for Education's requirements for the teaching of relationships and sex education.

You can find information about our RSHE curriculum by visiting the school website - [click this link to find out more!](#)

In line with DfE requirements, our policy is open to a 2-week consultation with parents and carers in which we invite any comments or questions. If you wish to contact our RSHE lead, please do so [via the form on our website](#).

Kind regards,

Abbey Gates Team
