### Year 6: Aim High Homework Project

Dear Parents,

Linked to the Year 6s Big Question of 'Around the world, who suffered the most in World War II - soldiers or civilians?' we would like all children to complete their 'Aim High Project' homework. (I know some children have already made a start on this which deserves praise, as the homework hasn't even been set yet.)

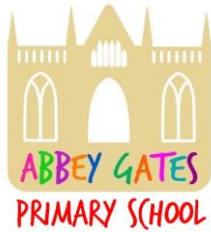

The 'Aim High' project is all about home and school working in partnership to engage children in their learning and to share in the enjoyment of learning.

Yesterday, as a class we discussed possible activities the children could complete linked to our Big Question. (Please see the list on the next page). Please note that the activities below are suggestions and that if you or your child has an alternative activity, please feel free to carry this out instead, if it links to the Year 6 Big Question.

We look forward to seeing the completed projects and displaying them with a sense of pride. Can all projects be completed and in school on **Monday 8<sup>th</sup> November**. Not before this date though, thank you. (If it is an electronic presentation this will need emailing to the school office by the Monday.)

Your child will be presenting/sharing their Aim High project with the class so they need to be able to speak about their work clearly explaining how it links to our Big Question of, 'Around the world, who suffered the most in World War II - soldiers or civilians?'

Thank you  
Year 6 Team  
Mr Rich and Mrs Miles
