

This “Pick and Mix” homework is for the whole half term.

- Please try to complete the activities that are in a coloured grey box at least once a week
- Staff will ask the children to bring the homework in at the end of the Half Term

Reading	Maths	DT	Sticky Question
You must read at least 3 times a week at home. Each time ask an adult to sign your reading diary. Also, ask them to ask you comprehension questions using the sentence stems within your reading diary.	Try out some origami. https://www.origami-fun.com/origami-for-kids.html	Cook your family’s favourite dish and write out the recipe with clear instructions for how to make it so that it can shared with others in the class.	Discuss your weekly sticky question.
PE	Science	Maths	Art/RSHE
Each week, complete one, two, three or more ‘PE with Joe’ workouts. https://www.thebodycoach.com/blog/pe-with-joe	Crater creator Fill a deep tray with a thick layer of sand or flour. Drop a range of balls of different sizes and weights into the bowl from the same height. Measure the width and depth of the crater each ball makes. What does this tell you? Which force is causing the ball to fall?	Complete an arithmetic paper from https://myminimaths.co.uk/year-6-arithmetic-practice-papers/	Can you draw an abstract art piece that promotes and inspires some or all of the 5Cs? Think about colour blending. What does each colour represent?
Spelling	Writing	Art	Geography
Each week, practise your Focus 5 spellings each week.	 Photo by Jaci Lopes dos Santos write about	Pressing patterns Collect a range of petals, flowers, leaves and grasses. Ask an adult to help you use a non-steam iron to iron them flat between two sheets of greaseproof paper. When cool, peel the paper back to remove the items. Use them to create stunning natural pictures, experimenting with pattern, shape and form.	Get to know the countries around the world by playing the following games: https://globe-game.com/ https://worldle.teuteuf.fr/
