

PROJECT PLACEMAT - DISCOVER - Around the world, who suffered the most in World War II - soldiers or civilians?

Crucial Connections

- ### Sticky Knowledge
- World War 2 was a battle between two groups of countries - the 'Allies' and the 'Axis'. The major Allied powers were Britain, France, Russia, China and the United States. The major Axis powers were Germany, Italy and Japan.
 - During the course of the war, German forces advanced through Europe. By the summer of 1941 they had invaded France, Belgium, Holland, Luxembourg, Denmark, Norway, Greece, Yugoslavia and the USSR.
 - Millions of Germans were imprisoned and killed because they didn't fit the image of the 'perfect' German. Hitler wanted to create what he thought was the 'best' and strongest race - and to the Nazi Party, this excluded certain groups, such as Jews, Gypsies and those with physical and mental disabilities.
 - The group most heavily targeted by the Nazis were the Jews. Around six million Jewish people were killed during World War 2 in one of history's most terrible events - the Holocaust.
 - The US didn't join the war until 1941, when Japan attacked the United States at their Naval Base at Pearl Harbour in Hawaii. On 8 December 1941 (the very next day), the US declared War on Japan and, in turn, its German allies.
 - Some countries remained 'neutral' in World War 2. Such countries were Spain, Sweden and Switzerland - who chose not to join either side.

- ### Important Ideas
- Resilience
 - Cooperation
 - Survival
 - Devastation
 - Tragedy
 - Loss
 - Relief
 - Love
 - Hate
 - Jubilation
 - Humiliation
