Making a difference

Our curriculum is based on research considering what *our pupils need* in order to achieve our vision.

Learning Together

Equipping all pupils with key skills and knowledge, through high quality teaching and learning. Providing precision intervention through early identification of learning needs, supporting and challenging all.

Enriching pupils' learning experiences by providing a wealth of opportunities to motivate and inspire them, both academically and in their personal development.

Embedding skills and knowledge, through the implementation of a sequentially designed broad and balanced curriculum that excites, engages, and challenges all pupils, maximizing learning opportunities.

Subject Specific Vocabulary

Orbit - An orbit is a repeating path that one celestial body takes around another.

Solar system - The solar system is made of the eight planets that orbit our sun; it is also made of asteroids, moons, comets and lots more.

Astronomical - Astronomy is the study of outer space, focusing on celestial bodies such as stars, comets, planets and galaxies.

Planet - There are 8 planets in our solar system, they are Mercury, Venus, Earth, Mars, Jupiter, Saturn, Uranus and Neptune.

Rotation - Rotation is when a shape is turned around a fixed point.

Spherical - Something spherical is like a sphere in being round, or more or less round, in three dimensions.

Crescent moon - It is a slither of the moon that is lit up and can be seen. It is less than half the moon.

Gibbous moon - The best way to describe a gibbous moon is that the moon is three-quarters lit up.

Eclipse - An eclipse occurs when an astronomical object is temporarily obscured. A lunar eclipse is when the Earth moves between the Sun and the Moon, therefore blocking the Sun's rays from striking the Moon.

A broader education

The
BIG
question

Homework. It's a sticky question !

If you dig up buried treasure, is it yours?

Do video games play their players?

Could you have a sport where everyone was on the same side?

What would your rules for grown-ups be?

In what ways are children better than adults?

When does enhancing a photo become a lie?

If you laugh when you are trying not to, is it you doing the laughing?

What make the strongest reasons: facts, feelings or beliefs?

If you could make one new law, what would it be?
