

Hi!

WELCOME TO YEAR 5

It has been wonderful to have the children back in school and it's been a pleasure getting to know them all. We have lots of exciting things going on this term and cannot wait to see what your children will achieve.

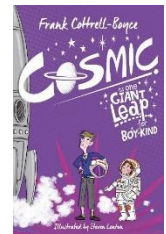

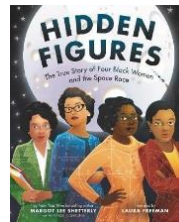

Children in Year 5 are increasingly encouraged to take responsibility for their own learning- they develop and grow as a result. It is about encouraging independence in preparation for bigger things to come.

During the Autumn term, children in Year 5 will be answering the big question ...

IS THERE ANYTHING OUT THERE ?

English	Cosmic - Frank Cottrell Boyce Hidden Figures - Margot Lee Shetterly
Computing	Coding
History	Local study - mining
Mathematics	Number: Place Value, Addition & subtraction, Statistics
PE	Basketball and parkour
RE	Inspirational people in today's world
Science	Earth and space

PE
PE will take place on a Wednesday and a Thursday. Please could all children come to school in their PE kit every Tuesday. A warm top, jogging bottoms and trainers would be advisable as we plan to be outside. It's also helpful if children do not bring earrings in on these days.

Year 5, Autumn Diary Dates

- Thurs 16th September
Year 5 Class Information Evening
- Thurs 7th October - Fri 8th October
Kingswood, Residential Doncaster

Drinks
We encourage children to drink water regularly throughout the day. Please ensure that your child's drink bottle is clearly labelled.

How can I help my child in Year 5?
Continue to listen to your child read, practise times tables, talk to them about their day and encourage them to read by visiting the local library, bookshops or using eBooks from the free Oxford Owl eBook library.

Please don't hesitate to contact me if you have any concerns, no matter how small, throughout the year. We are really looking forward to doing some exciting work with your children this year.

Yours sincerely,
Mr Summers and Mr Martin
