

This “Pick and Mix” homework is for the whole half term.

- Please try to complete the activities that are in a coloured grey box at least once a week
- Staff will ask the children to bring the homework in at the end of the Half Term

Reading	Maths	DT	Sticky Question
You must read at least 3 times a week at home. Each time ask an adult to sign your reading diary.	Measure the perimeter of different objects in your house. These could be rectangular (e.g. a table or TV) or compound shapes (e.g. kitchen worktop).	With your family can you do a MasterChef cook off? <ul style="list-style-type: none"> • Plan your dish, so that you know what ingredients you need. • Maybe you can do this over a few weeks, so everyone gets a chance to cook 	Discuss your weekly sticky question.
Geography	Science	Maths	Art / PSHE
Create a poster to encourage people to save the rainforest. Make sure your poster includes information about why they need to be saved and what you can do to help.	You need to create a parachute that will safely land an egg. Explore different materials you may need. Think about the different forces at work. Design your parachute on paper. Then get ready to test! Did it work? If not, what could you improve?	Practice your times tables on TT Rockstars each week.	Can you draw an abstract art piece that promotes and inspires some or all of the 5Cs? Think about colour blending. What does each colour represent?
Spelling	Speaking	PE	Geography
Each week, practise your Focus 5 spellings each week.	Write and deliver a speech based on an issue you feel strongly about.	Can you complete at least three sessions of exercise a week? How many star jumps can you do? How far can you run?	Get to know the countries around the world by playing the following game: https://globe-game.com/
