

# SPRING TERM 2024

Hello and welcome back to Foundation 1.

We hope you have had a lovely Christmas break. This half term we will be using a range of stories to support our big question "I wonder how things work...". As a class we will explore different materials, how materials can change and the need for electricity.

## Trekking

Tuesdays is our allocated day for trekking. Children will need to wear named school uniform and bring coats, hats, wellies as we will be exploring rain or shine!

## Baking

We ask for a small donation of £1 per half term to help with the cost of the baking supplies.

## PE

PE takes place on a Friday morning. Children can wear their PE clothing to school to ensure we maximise our session. Please ensure all jewellery is removed before arriving at school and long hair is tied up.

## Library

F1 will be attending the local library fortnightly alongside F2. We will send a text reminder a few days before our scheduled visit. If you are able to help, please let us know. It is greatly appreciated.

## Key Dates

19th January 2024 - F1 visit to the library.

2nd February 2024 - F1 visit to the library.

## Snack - IMPORTANT

Children need a named water bottle every day and a healthy snack. Due to severe allergies in the Foundation unit, we ask that snack is either a piece of fruit or veg. This is to ensure the safety of our learners.

Thankyou in advance for your understanding.

## Tapestry

We will be updating and sharing exciting moments that are happening within school via Tapestry. We would love to see any learning or exciting milestones that are happening outside of school. We will be sharing this during snack to encourage the children to talk about their experiences.

Reminders and communications may also be sent via tapestry, so please do check in regularly. If you need any support with your account, please let me know.

If you have any worries or concerns please do not hesitate to get in touch. We are always here to help and support the children.

We look forward to a fantastic term together and are excited to see the progress the children will make.

Mrs Mann & Miss Kingswood .
