

Please find a menu of activities which will support your child's learning at home over the Easter holidays. These activities will help support answer our big question: **Why would you like to live here?**

Children can choose from the menu below or come up with something equally as creative. We look forward to seeing their ideas! Please can the completed project(s) be brought into school by **Friday 1st March**.

Navigating the British Isles: A Road Trip Adventure Across the UK

Pretend you're an explorer!

Use your map and compass skills to plan a super fun trip all around the UK. Draw your map to show where you'll go and remember to add any cool places you want to visit. Then, imagine you're on an adventure driving around the UK. Write about all the exciting things you see and do in your diary, just like you're telling a story about your trip!

Threads of History: Exploring the Design Evolution of UK Flags

Another option is to learn about the flags of the UK! Find out why they look the way they do and how they were made. After that, you can get creative! Design your very own flag for the UK. Think about what makes the UK special to you and include those things in your flag. You can draw, paint, use stickers, or even sew your flag!

If you prefer, you can also explore the different traditions in each part of the UK. Learn about the fun things people do in England, Scotland, Wales, and Northern Ireland. Then, share what you discover with your class!

From County Kitchens: Uncovering Authentic Recipes from Every Corner of the UK

Explore the delicious culinary heritage of various counties across the UK. Delve into the unique flavours and cooking methods passed down through generations.

Experiment with ingredients and techniques to recreate authentic dishes in your own kitchen. Get your taste buds ready for a flavourful journey through Britain's rich traditions!

Miniature Marvels: Recreating Iconic UK Landmarks with Creative Crafts

Select a well know landmark in UK, whether it's a place you've visited before or dream of exploring. Use your imagination and creativity to reconstruct it using recycled materials, playdough, LEGO, or any other craft supplies you have. Bring your chosen landmark to life through junk modeling, sculpting with plasticine, assembling with LEGO bricks, constructing with K'Nex, or even baking a delicious replica!

Let your artistic talents shine as you embark on this exciting hands-on project. Immerse yourself in the wonder of architecture and design as you craft your own miniature masterpiece!
