

Stonehenge Model Construction

Build your own mini Stonehenge! Using materials like clay, cardboard, or edible items like biscuits and chocolates, recreate this iconic structure. This task will provide a hands-on understanding of Stonehenge's design and purpose.

Stone Age Food Investigation

Explore the culinary world of the Stone Age.

<https://www.imagininghistory.co.uk/post/stone-age-food>

Research what foods were consumed during this era and consider creating a simple Stone Age meal with your family. This task will offer insight into the dietary habits of our ancestors.

Timeline Time Travel

Create a timeline of important events from the Stone Age. Illustrate or write about key occurrences and arrange them chronologically. This will help you visualize the sequence of events in history.

Stone Age Houses Poster

Become a Stone Age architect by studying the different types of houses from this period. Produce a poster featuring drawings and descriptions of various Stone Age dwellings. This project will enhance your understanding of Stone Age living arrangements.

Stone Age Diary Adventure

Imagine yourself as a child living in the Stone Age.

In this creative writing task, you will write a diary describing your daily adventures, such as hunting and exploring. It's an opportunity to immerse yourself in the past and bring history to life through your own narrative.
