

May Eco-School Newsletter by Mrs Bowell, Aria and Jude

The Great Big Spring Clean
Thank you to everyone that took part in the spring clean, picking up litter in our local area. You are all making a positive difference to our environment and should be very proud of your achievements!

The Beacon Project
Thank you for all of your donations to "The Beacon Project" in Mansfield. The recipients were blown away by your generosity. Some of the eco-team will be planning a visit soon to find out what happens behind the scenes.
Our next Food bank collection will take place during the week commencing 23rd May. In addition to this, we will be holding a separate collection for men's clothing for The Beacon Project. More information regarding these collections will be sent out soon.

No Mow May
Do you ever worry about not having enough honey? Then you should take part in "No Mow May". All you have to do is let your lawn grow in May watch the wild flowers grow. This will attract bees and other insects to your garden. Find out more information here:

Jude and Aria's Top Tips:

- Avoid using electric heating
- Use digital devices for drawing and writing to reduce the amount of paper you use
- Walk to school or places nearby instead of using your car
- Meat-free Monday
- Follow the 5 R's - Rethink, Refuse, Reduce, Reuse, Recycle
- Use a 4 minute timer when you use the shower.

Meat free recipe recommendation:
Veggie edamame burger
