PROJECT PLACEMAT - **DISCOVER** - YEAR 5 - SPRING - WHAT DOES IT TAKE TO CONQUER?

Anglo Saxons:

- The Anglo-Saxons were made up of three tribes: the Angles, Saxons, and Jutes.
- The name 'Angles' eventually became 'English' and their land, 'Angle-land', became 'England'.
- They came to Britain from across the North Sea in the middle of the 5th Century.
- For a long time, England was not one country. Anglo-Saxon kings ruled lots of small kingdoms across the land.
- The Anglo-Saxons were fierce people who fought many battles, including fighting each other.
- The Anglo-Saxon period ended when the Normans conquered Britain in 1066.

Vikings:

- Not all Vikings were warriors. Many came in peace and become farmers.
- The lands that the Vikings occupied were known as Danelaw.
- No Vikings wore horns in their helmets.
- Vikings spoke Norse, which had an alphabet made up of runes.
- Longships were designed to sail in both deep and shallow water so that they could get close to the shore and sail in rivers to get inland.
- Vikings were pagans and often raided monasteries, looting gold.
- The most important Viking British city was York, or Jorvik as it was known by the Vikings.

Reading

Children will continue to choose books from our **Accelerated Reader** scheme.

- Following an initial assessment, children have a ZPD code, which gives them access to a wide range of books pitched at their current reading level.
- When they have finished a book, children complete an online quiz on **Star Reader**.

Please help us by sharing books with your child, encouraging them to read regularly, listening to them where possible and asking VIPERS questions to develop their understanding and comprehension.

In KS2, we focus on whole class reading during our shared and guided reading sessions, where the children are invited to read aloud.

Some children will continue to read individually with an adult to develop their fluency and comprehension skills.

Homework. It's a sticky question !

If you dig up buried treasure, is it yours?

Do video games play their players?

Could you have a sport where everyone was on the same side?

What would your rules for grown-ups be?

In what ways are children better than adults?

When does enhancing a photo become a lie?

If you laugh when you are trying not to, is it you doing the laughing?

What make the strongest reasons: facts, feelings or beliefs?

If you could make one new law, what would it be?

Visits and Visitors

What are your strongest memories from school? For most of us, it's the excitement of school visits or a visitor who came into school to bring learning to life! Whether it's a day out or a residential, educational trips give children the chance to experience life outside the school gates!

From visiting museums, theatres, religious centres and historical sites to going on residential, school visits encourage young people to learn and socialise with peers in a completely different way to within the classroom and are often the experiences they remember most.

WHY WE GO ON SCHOOL VISITS

- Brings subjects to life
- Boosts self-confidence
- Increases motivation
- Broadens children's horizons

WHY WE BRING VISITORS INTO SCHOOL

- Engages children - it's exciting!
- Visitor will be an "expert" in their field
- Visitors may bring in relevant resources or artefacts to support the children's learning
- Most visitors are cost effective
