

Year 5

Aim High Homework

Anglo-Saxon Village Model Construction

Build your own Anglo-Saxon village using materials like clay, cardboard or any old recyclable materials. This activity will allow you to explore the design of the village and its purpose.

Design a Viking Helmet/Shield

Using card create your own shield or helmet. These can then be decorated and used in our class role-play activity.

Here are links taken from Hobbycraft that you may find useful.

Anglo-Saxon Diary

Imagine yourself as a child living through the Viking invasions.

In this creative writing task, you will create a diary describing your thoughts and feelings as the Vikings begin to invade Britain. It's an opportunity to immerse yourself in Anglo-Saxon life and bring history to life through your own narrative.
