Foundation 2 Aim High Homework Project

Friday 13th October 2022

Dear Parents and carers,

As part of our project **'I wonder what is special...'** we would like all of the children to complete an **'Aim High Homework Project'** over the half term holidays. As discussed at the F2 Parents Meeting earlier this term, we would like the project to be led by the children but supported by you.

Please send your completed project into school/upload them to Tapestry by Friday 4th November, so that we can share and celebrate them with the rest of the class. Your child can complete as many of the activities suggested below as they would like to. We look forward to seeing your fabulous creations!

Many thanks for your continued support,

The F2 Team

Create a song about yourself and make a music video 	Make a collage of all of the things that are special to you
Make a model of a person, including all of the different body parts and features. 	Go on an autumn walk to collect some natural treasures. Use your collection to make pieces of art, crowns or necklaces by threading on to string.
Make a healthy meal or fruit salad with your grown up. 	Create a weather diary for the half term break. Draw a picture to represent the weather each day.
