

Map Skills

Put your map and compass skills to the test by planning a route around the UK. You might choose to draw your map, recording any famous sights spotted along the way.

Imagine you are on a road trip around the UK. Record your travels in a diary, remembering to write in the 1st person.

Flags

Find out about the flags of the UK. Research the history of the design.

You might want to design your own flag for the UK, containing the things that you think make it unique. You could draw, paint, collage or even sew your flag.

Alternatively, you might want to find out about different traditions associated with each of the countries or counties in the UK.

Food

Research food recipes that are traditional to each county - write a recipe and do some cooking!

Counties

Draw or make a map of an English county of your choice - add any famous landmarks

Construction

Choose a famous landmark (either one you've been to or would like to visit). Recreate it using junk modelling, plasticine, Lego, K-Nex or even in baking!
