

Create a Word Search

Creating Adverbs Using the Suffix -ly (where the root word ends in 'ic' or 'al')

Write your -ly suffix spelling words (where the root word ends in 'ic' or 'al') into the word search and then fill in the gaps with random letters from the alphabet. You will also need to write the spelling words below the word search too. Ask your friends and family if they can find the words in the word search or see if you can remember where they are. Use a coloured pencil to shade in the hidden words when you find them.
