

# Super Suffix -ly Spelling Game

I can use and spell adverbs correctly with the suffix -ly.

## Instructions

A game for two players.

Each player takes turns to roll a dice.

If a player lands on a 'Word Card!' square, the other player must ask them to spell one of the words on the word cards.

If the player spells the word correctly, they can roll the dice on their next turn.

If the player spells the word wrongly, they miss a turn and copy out the word three times on a whiteboard.
