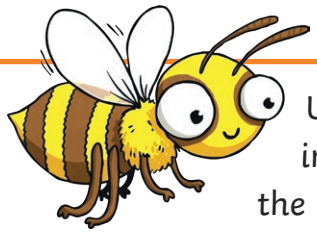
Spelling Bee's Silly Spelling Story

Long /a/ Spelt 'ey'

hey	obey	whey	disobey
they	grey	survey	purvey
	prey	convey	



Using this week's spellings from the box above, write a silly story which includes all of the target words. As you use each one, put a line through the word to keep a track of which words you have used. Be careful when copying out the target words to ensure you spell them correctly.

Parent Note: It is important that not only does your child practise spelling these words, they should also use the words in context. Use a dictionary to find the meaning of these words and discuss them with your child.
